NOTICE TO REGISTER FOR EMPLOYMENT SERVICE

If you do not have a definite return to work date from your last employer that is within 120 days from your last day worked, you must register on the MiTalent Connect for Employment Services to be eligible for unemployment benefits. To register, you must log on to www.mitalent.org and create a profile. You must report in person with this form to any Michigan Works! Agency (MWA) Service Center no later than three business days **before** your first contact with Michigan's Automated Response Voice Interactive Network (MARVIN). Take this form to any MWA to verify that you have placed your profile on MiTalent Connect for Employment Services. Call 1-800-285-WORK (9675) to be connected with the MWA nearest you.

The MWA must stamp this form with a data entry date and return it to you once they have verified your profile. The MWA will notify the Unemployment Insurance Agency that you have registered for work. Keep this form for the duration of your benefit year (one year) as proof that you have registered for work. Your benefit payment may be affected later, if your registration cannot be proven.

If you have any questions about this form, contact our Inquiry Line at 1-866-500-0017 (TTY customers use 1-866-366-0004).
